## Day 6-7 : Serengeti National Park

Begin your journey from Ngorongoro to Serengeti, taking approximately four hours, with the opportunity to stop at Olduvai Gorge on the way. This is one of the most amazing archeological sites in the world. Serengeti is home to millions of wildebeest during the migration and over the huge flat plains you are likely to find lion, cheetah, leopard, hyena and many other small predators. Your guide

will choose the best wildlife viewing locations for the time of year. Spend time at the hippo pool, watching these enormous animals laze about in the cool water alongside the crocodiles, watch a lion stalking its prey or be staggered by the scale of the great wildebeest migration. Journey from wide, open plains to the kopjes, volcanic rocky outcrops that provide protection and shelter for a wide variety of animals. This diverse and interesting landscape will provide you with the ultimate in game viewing. Four Seasons Serengeti
