

3 DAYS TANZANIA WILDLIFE SAFARI

📍 Tarangire, Ngorongoro and Manyara

Discover the best of northern Tanzania on this 3-day wildlife safari. The itinerary is crafted to maximize adventure while keeping comfort and convenience. In just three days, you will explore Tarangire National Park, Ngorongoro Crater, and Lake Manyara National Park.

Your journey begins in **Tarangire National Park**, known for its giant baobab trees and vast elephant herds. You will also see lions, zebras, giraffes, and a wide variety of bird species. Because of its diverse wildlife and dramatic landscapes, Tarangire is often called a hidden gem.

The next stop is the legendary **Ngorongoro Crater**, one of Africa's greatest natural wonders. After descending 600 meters into the crater floor, you will find yourself surrounded by an incredible density of wildlife. Rhinos, wildebeests, buffalo, gazelles, and lions all share this unique ecosystem. Moreover, the sweeping views from the rim create an unforgettable backdrop.

Finally, the safari concludes in **Lake Manyara National Park**, a smaller park that offers a striking contrast to the previous destinations. Here, lush forests and open lakeshores welcome tree-climbing lions, hippos, flamingos, and many other animals. As a result, Manyara is perfect for both birdwatching and photography.

Throughout the trip, you will enjoy comfortable lodges or tented camps. In addition, professional driver-guides will ensure safe and rewarding game drives. Transfers between destinations are seamless, making your journey stress-free.

This safari is perfect for families, couples, and solo travelers. It combines breathtaking scenery, abundant wildlife, and expert guiding into one compact adventure. By the end of the three days, you will have captured unforgettable wildlife moments and experienced the true beauty of Tanzania's northern circuit.

Tour Itinerary

Day 1 : Arusha - Tarangire

Begin your safari adventure with an early morning pickup from your hotel or Kilimanjaro International Airport in Arusha. Meet your professional safari guide for a brief orientation before departing for Tarangire National Park, located about a two-hour drive from Arusha. Tarangire is renowned for its massive elephant herds, iconic baobab trees, and scenic riverine landscapes, offering a classic Tanzanian safari experience.

Upon arrival, embark on your first full-day game drive through the park. Keep your camera ready as you encounter wildlife roaming freely across the savannah. Large herds of elephants and buffalo move gracefully between acacia woodlands and grassy plains, while predators such as lions and leopards can sometimes be spotted resting under trees. You may also see giraffes, zebras, wildebeest, and a wide variety of bird species, making it a paradise for wildlife photographers.

Around midday, enjoy a picnic lunch in the heart of the park surrounded by the sights and sounds of the wilderness. After lunch, continue your game drive, exploring Tarangire's lesser-known corners and spotting wildlife near the Tarangire River, where elephants often gather to drink and bathe. As the day draws to a close, head to your lodge or luxury tented camp, where you can relax with sundowners, enjoy a freshly prepared dinner, and reflect on your first exciting day on safari.

Meals Included
LUNCH, DINNER,

Duration
7 Hours

Day 2 : Full-Day Ngorongoro

After breakfast, depart Tarangire and drive to the Ngorongoro Conservation Area, a UNESCO World Heritage site famous for its stunning crater and rich biodiversity. The drive itself offers beautiful scenery of rolling hills and Maasai villages, providing insight into local culture and daily life. Upon arrival, descend into the Ngorongoro Crater for an unforgettable full-day game drive.

The Ngorongoro Crater is often described as one of the greatest wildlife arenas in Africa, home to the Big Five—lion, leopard, buffalo, elephant, and rhino—as well as wildebeest, zebras, hippos, and cheetahs. The lush crater floor, dotted with acacia trees, grasslands, and freshwater springs, provides a unique ecosystem where wildlife is densely concentrated. Stop for a picnic lunch in a scenic spot inside the crater, surrounded by breathtaking landscapes and the sounds of wildlife.

In the afternoon, continue exploring the crater, taking your time to observe animal behaviors and capture memorable photographs. As the sun begins to set, ascend to the crater rim and transfer to your lodge or camp near Ngorongoro, where you will enjoy dinner and a comfortable overnight stay.

Meals Included
LUNCH, DINNER, BREAKFAST,

Duration
6 Hours

Day 3 : Lake Manyara and Depature

Ngorongoro.

Start your day with an early breakfast before heading toward Lake Manyara National Park, a park known for its unique mix of habitats and spectacular wildlife. Famous for its tree-climbing lions, dense forests, and flamingo-filled lakeshores, Lake Manyara offers a completely different safari experience compared to Tarangire and

Embark on a half-day game drive, exploring the park's diverse landscapes. You may spot elephants, giraffes, hippos, baboons, and buffalo, as well as a variety of birds, including flamingos and pelicans along the lake. The park's scenic beauty is enhanced by its dramatic escarpments and the Great Rift Valley backdrop, providing excellent photography opportunities.

After a morning of wildlife viewing, enjoy lunch at a designated rest area or nearby lodge before beginning your return journey to Arusha. Depending on your schedule, you can be dropped off at your hotel or Kilimanjaro International Airport, concluding your 3-day safari adventure filled with unforgettable wildlife encounters, stunning landscapes, and authentic African experiences.
