This morning you will enjoy breakfast at your hotel, before meeting our expert local guide for a tour of Stone Town, a UNESCO World Heritage site. Over the centuries, many cultures have left their impressions on Zanzibar and it is perhaps in Stone Town where you can most easily see their influences. Your guide will lead you first to the colorful market,

awash with exotic smells and buzzing with bartering locals. Afterwards, you will visit the calm of the 19th C cathedral, built on the former site of the slave market after the 1873 abolition of slavery. As you wander the narrow streets and alleys, you’ll pass the Arab houses with their inner courtyards, hidden behind heavy doors. You can compare their style with the Indian residences, adorned with balustrades and metal railings. Amongst the town’s historic sites are the ‘Tip Tip House,’ the Old Fort and the People’s Palace Museum. Lunch will be taken at the Silk Route Indian rooftop restaurant, with views to the ocean. The Silk Route is full of character, so enjoy the excellent cuisine, perhaps washing it down with a cocktail. After the tour, we will transfer you to your beach hotel for your dinner, an evening at leisure and the remainder of your stay.
