

8 Days Tanzania Flying Safari

📍 Tarangire, Manyara National Park, Serengeti national park, Ngorongoro Crater

Our 8 Days Tanzania Flying Safari offers an exceptional wildlife adventure for those with limited time but seeking an unforgettable experience. These safaris provide quick, convenient air travel between Tanzania's top national parks, allowing you to maximize your time spent enjoying wildlife instead of long road transfers. You'll explore iconic parks like **Serengeti National Park**, **Ngorongoro Crater**, **Lake Manyara**, and **Tarangire**, all of which are easily accessible via safari flights from **Arusha** or **Kilimanjaro International Airport**. Upon arriving in each park, you'll embark on game drives in comfortable shared or private 4x4 vehicles, either provided by us or by lodges and tented camps. Each day brings new opportunities to witness Tanzania's remarkable wildlife, including lions, elephants, giraffes, and, if you're lucky, the **Great Migration** in Serengeti. Our flying safaris ensure you can reach even the most remote areas quickly, with airstrips in all main parks. For a more exclusive experience, we also offer fly-in safaris using chartered light aircraft to non-operated parks, where you can enjoy more secluded wildlife experiences. After each day of exploration, you'll return to well-appointed lodges or tented camps like the **Namiri Plains Camp**, where relaxation and comfort await you. Whether you're a seasoned safari-goer or a first-timer, our 8 Days Tanzania Flying Safari promises a seamless blend of adventure and luxury. Don't miss the opportunity to experience the best of Tanzania's wildlife in a shorter time, without compromising on comfort or quality.
